

**Arrive Early for Best Parking**

The construction of Phase 1 of this project will impact our parking. We apologize for any inconvenience. While free parking is available, it will be further to the west of our building. Please plan to arrive to Tempe Center for the Arts at least 20 minutes earlier. A drop-off site is available in front of TCA for passengers and ride-sharing services.

Our lounge will be open one hour before every show for those who would like to relax with refreshments.

**Take a Rideshare from Downtown Tempe**

Consider parking in downtown Tempe to shop or grab dinner before taking a rideshare service, such as Lyft or Uber, to the drop-off zone in front of the TCA main entrance.
